Mark A. McFadden

Completes Air Force training

Airman Mark A. McFadden, son of Mr. and Mrs. Royal McFadden of Caledonia, New York and the grandson of the late Mr. and Mrs. Elijah H. McFadden and the late Mr. Earl D. Massie, graduated in 1979 from Mumford Central School in Caledonia. After graduation he went into the Air Force and was stationed in Texas for his basic training. He then went to school in Colorado for his degree at Towry Air Force Base.

Mark graduated from the U. S. Air Force Weapons Control Systems Course at Lowry Air Force Base, Texas where he earned credits toward an associate degree in applied science through the local community college. He learned the maintenance and repair of air craft weapons control systems after spending sometime with his family in New York. Mark has two sisters, Janet and Virginia, and a brother, Thomas. Mark will be sent to Cunson Air Force Base in South Korea for one year.

Relatives in Appomattox include his uncles and aunts, Mr. and Mrs. Joe McFadden, Cleve and Pat Elliott, Bobby and Helen McFadden, Clyde and Margaret McFadden, Herbert McFadden, and Rachel, Clinton and Betty Lucado. Other Virginia relatives include his grandparents, Mr. and Mrs. James Smith of Lanexa; great-grandmothers, Mrs. Christine Childress and Mrs. Clara Sleigh; and one great-grandfather, Mr. Thomas Massie of Sabot.

Poole assigned to position at Tech

A Petersburg native has been reassigned to the position of Extension leader for orientation in the Cooperative Extension Service at Virginia Tech.

A. Travis Poole Jr., former agriculture program leader at Appomattox, was appointed to his new post by William R. Van Dresser, dean of Extension at Tech. Poole's assignment is a step in the reorganization of Extension as suggested last year by the General Assembly's Joint Legislative Audit and Review Commission.

Poole joined Extension in 1960 as an assistant county agent in Lancaster and Northumberland counties. He served as King William County agent before being named program leader in agriculture at Appomattox in 1968.

A graduate of Stony Creek High School, Stony Creek, Poole received a bachelor of science degree in agricultural economics at Virginia Tech in 1960. He was granted a masters degree in the same field of study from Tech in 1969.

In 1977, Poole completed work for and was granted a Ph.D. degree from Ohio State University. While attending Ohio State, he was granted membership into three honor societies: Gamma Sigma Delta, an agriculture honor society; Phi Kappa Phi, interdisciplinary honor society; and Phi Delta Kappa, education honor society.

Married to the former Calvert King, Poole is the father of two sons-Arnold "Andy" Poole III, a Virginia Tech freshman majoring in physical education, and Steven Ware Poole, an Appomattox High School junior.

Poole was elected to Outstanding Young Men in America in 1971. He is an active member of the Methodist church and has held several local and district offices in the Ruritan Club.

Pap Test clinic is planned for March 23

A Pap Test clinic for women will be held Sunday, March 23 from 1 p.m. to 5 p.m. in the Appomattox Health Department building.

Sponsored by the Appomattox Unit of the American Cancer Society, the program is free to women age 20 and over.

Assisting the American Cancer Society members will be the local doctors, the staff of the Health Department, and members of the Health Division of the Appomattox Junior Women's Club.

A major goal of the American Cancer Society in its efforts to conquer uterine cancer is a pap test for every woman from age 20 and up, to whom the test is applicable.

This year, the cancer society estimates that 12,000 American women will die of uterine cancer. The Pap Test signals the presence of cancer at a stage when it can be most easily cured.

McClary helps cutter earn "E" marks

Coast Guard Seaman Apprentice Paul A. McClary, son of Ann C. and James E. McClary Jr. of Route 4, Box 35A, Appomattox, Va., has helped his cutter earn three "E" awards for excellence.

He is a crewmember aboard the Coast Guard cutter Reliance, homeported in Yorktown, Va.

The "Excellent" marks were received in engineering, damage control and operational readiness. The "E" award is presented to ships and squadrons that demonstrate outstanding preparedness and combat readiness. The Coast Guard's only reserve training cutter, the Reliance earned the awards during refresher training.

His cutter is a 210-foot medium endurance vessel which carries a crew of 73, including regular and reserve Coast Guardsmen.

McClary joined the Coast Guard in April 1979.

Girl Scout week is being observed

March 9-15 is National Girl Scout Week.

Brownie Troop 308 will be very active during this week. A display of posters and handcraft projects are on display in the school board office window. Posters reminding people of Girl Scout activities are placed in local businesses.

On Sunday, March 9, Girl Scouts were reminded to attend church and wear their uniforms to show you are a member of the largest women's organization in the nation. Wednesday, March 12, was Girl Scout Birthday and Troop 308 celebrated with a special party and ceremony. On Saturday March 15, scouts are going skating to round off a perfect week.

Let's all wish the Girl Scouts a Happy Birthday by supporting our local Girl Scouts.
